

**CITY OF STOCKTON
DEPARTMENT OF PUBLIC WORKS
STANDARD SPECIFICATIONS**

NOTICE

The following sections together with the Latest Edition of the State of California, Business and Transportation Agency, Department of Transportation (Caltrans), Standard Specifications, as modified except the metric units and/or supplemented herein shall be the Standard Specification for public works construction in the City of Stockton.

To the extent the Department of Transportation Standard Specifications implement the STATE CONTRACT ACT, (or certain provisions of the Public Contracts code which are inapplicable to charter cities) they shall not be applicable.

A copy of the Latest Edition of the State of California, Business and Transportation Agency, Department of Transportation, Standard Specifications is on file in the Office of the Director of Public Works of the City of Stockton. Copies may be obtained from the State of California, Department of Transportation, Publication Distribution Unit, 1900 Royal Oaks Drive, Sacramento, California 95819, or by calling (916) 445-3520.

The Standard Detail Drawings attached are the Standard Plans of the City of Stockton and take precedence over the Standard Specification in case of any conflicts.

It is the intent of the City of Stockton to incorporate all Countywide Standards into these Standard Plans. Once the Countywide drawings are accepted by the City Council, the City Engineer will determine which City of Stockton Standards are either superseded or supplemented by the accepted Countywide Drawings. In the case of any conflicts between these City of Stockton Standard Plans and Specifications and the accepted Countywide Drawings, the City of Stockton Standard Plans and Specifications shall prevail.

These Specifications and Plans may be modified in special cases on an individual project basis by special engineering analysis if approved by the City Engineer.

Amendments to the Specifications of the Department of Transportation may be issued by the State of California from time to time and will require adoption by the Director of Public Works to become a part of the City of Stockton Standard Specifications.

The Director of Public Works may also issue clarifications and amendments to these Standard Specifications and Standard Detail Plans as required.

Revised 2/28/2000
